MEET YOUR WEDDING DAY DOG CONCIERGE,

Jill Downs

Hello, pawsome pet owners of Montrose, Colorado! I'm Jill Downs, the proud founder of Elite Dog Walking, where my passion for animals meets the stunning landscapes of the Western Slope. Since my youth, I've been enamored with animals, and now, I'm thrilled to bring my love for furry companions to the heart of Montrose.

About Me:

I made the journey from Minnesota to Colorado in 2021 and quickly discovered that the Western Slope is my happy place – the perfect backdrop for adventures with our four-legged friends. As a nature enthusiast, I engage in activities like hiking and snowshoeing, embracing the beauty of the great outdoors.

With a heart full of love for animals, I recently embarked on the journey of starting Elite Dog Walking. My goal is to share not only my expertise but also the joy and companionship that dogs bring into our lives. I take pride in maintaining high standards of care and services, treating every client's pet as if they were my own.

Family and Furry Companions:

In addition to my human family, which includes three wonderful adult children, I share my home with a delightful Goldendoodle named Millie May and her adorable pup Trinity. Two cats, Nelly and Benji, complete our furry family. They're not just pets; they're cherished members of our household.

Community Involvement:

I'm not just passionate about animals; I'm also an active member of the community. Engaging with organizations like WIM (Women in Montrose), B.I.G. (Business Intentionally Grown), and the Rotary Club allows me to contribute to the vibrant tapestry of Montrose. Staying active keeps me energized and ready for adventures with your furry companions.

Elite Dog Walking Services:

When you choose Elite Dog Walking, you're not just getting a dog walker; you're gaining a reliable and caring companion for your pet. From leisurely strolls to energetic playtime, I tailor my services to meet the unique needs of your furry friend. Plus, rest assured, I carry liability insurance for your peace of mind.

I'm excited about the opportunity to meet and care for your lovely pet. Let's embark on this wagtastic journey together!
